

*Soror Donna Harrell*  
*Supreme Anti-Grammateus*  
*2016-2020*

I was inducted in Alpha Omicron Chapter, April 1988. I graduated from American University with a BA in Mass Communications and was blessed to retire in September 2015 after 40+ years in the field of radio broadcasting. My tenure in broadcasting included working at WAMU-FM where I was announcer and studio engineer, as well as NBC, ABC and Voice of America where I was a radio broadcast engineer. I was promoted to Radio Master Control Technician while working at VOA and received the Voice of America Technical Excellence Award.

During my Gamma Phi Delta Sorority, Inc. membership I have held various positions – Chapter President, Second Anti-President, Secretary, Assistant Secretary, Youth Advisor, Chaplain and Editor. I have also had the pleasure of serving as Eastern Regional Director.

I currently serve as National Assistant Secretary. Preparation for this position was not only formed by positions in the sorority but also my involvement in community organizations where I served as secretary and assistant secretary, in addition, I was Recording Secretary for AFSCME Local 1418 during my employment at VOA.

Happily, retired, I am thoroughly enjoying time with my family and taking advantage of new opportunities to enhance my skills as a Parliamentarian plus learning new subjects such as line dancing and sign language.

I look forward to devoting more time to this outstanding organization of diverse women.
