People of African descent in our country and all over the world your help in turning out a record number of African American voters for our country's congressional and presidential elections this year. Let us choose this as one of the means by which we give "feet to our prayers" and substance to the NAACP theme, "*Voting Our Values – Valuing Our Votes.*"

Let us be electoral change agents by *Uniting in Hearts, Sisterhood and Service.* If everybody does a little, nobody will have to do a lot.

You are being asked to join a team of One Million volunteers who will take **five (5)** new voters to the polls. Then encourage those 5 to take 5, and so on.

**go red. anyway you want... eat red –
apples, cherries, tomatoes.
leave red kisses
on someone’s cheek.
laugh so hard your
face turns red.
but whatever you do,
do it for your heart.
take a moment everyday
and put your hand on your
heart. and then
make your own promise to be
heart healthy.**

Now is the time to go red in your own fashion by spreading the Go Red For Women "[Love Your Heart](#)" message to your friends, families and colleagues. Make your promise to be heart healthy – join the movement to help conquer heart disease, and encourage others to do the same.

Going red in your own fashion is about finding a personal way to take part in the fight against heart disease in women. Whether it’s

- ❖ visiting your healthcare provider,
- ❖ eating a healthier diet,
- ❖ increasing your exercise,
- ❖ purchasing products that support the cause,
- ❖ Attend a Go Red event
- ❖ Support the HEART for Women Act, legislation before Congress to improve screening and treatment of heart disease in women
- ❖ or wearing red on Friday February. 5, 2010 for National Wear Red DaySM,

you can do something special to love your heart.

Sorors, Let's Effect Change, Nationwide!

Annual Make a Difference Day,

Join Together October 24, 2009

Our National Social Action Project for 2009 is "Donate Clothes to Your Local Salvation Army." We will be coordinating our efforts to provide quality clothing to the family stores allowing Salvation Army to continue their Adult Rehabilitation Center philosophy: to be self-sustaining, a donation center, a training site and a place where neighbors can shop with dignity, provide work therapy so that men and women can regain self esteem and learn valuable vocational skills as well.

Here is a list of things you can do to make this a successful project nationally:

- **Regional Directors & Chapter Basilei:** If not already done appoint your chairpersons. Regional Chairpersons, provide the National Headquarters with the Chapter Social Action Chairpersons by **September 30, 2009**.
-
- **Chapter Social Action Chairpersons:** Meet and/or discuss with your Regional Social Action Chair the plans for your chapter participation on **October 24, 2009**. Don't forget to recruit your Sorors, Rosebuds, Phi Teens, Junior and Senior Cavaliers and their families to participate in your local and/or regional project.
-
- **Regional Social Action Chairs:** Set you regional deadline for chapter reporting. Report your region's achievements to the National Headquarters by **December 1, 2009** via e-mail gamma_phi_delta@ameritech.net or by mail "Make a Difference Day Success Report, 2657 W. Grand Blvd., Detroit MI, 48208."
